

SCHOOL VISITS with *Jenni Goodman*

2026 SNUFFY STORIES

Illustrator Jenni Goodman brings the magical world of picture books to life with this lively and engaging presentation featuring *Snuffy*.

Students will get a behind-the-scenes look at the creative process, and learn how to make expressive characters. Through fun (and often hilarious) 'tell-your-own-story' drawing activities, students are invited to unleash their imaginations, discover their own storytelling voices, and experience the joy of creating.

All sessions are interactive, fun and informative, and can be adapted to suit students from Kindergarten to Year 8. Presentations are suitable for classrooms, year groups, or stages and run for 50 mins-1 hour.
