

# SCHOOL VISITS with Jenni Goodman

## 2026 FUN WITH FLUTE!

Plunge beneath the waves with illustrator Jenni Goodman and explore CBCA Notable picture book *Flute: A Dolphin's Wild Journey Home*.

Inspired by true events and real friendships, *Flute* is a story of determination and triumph set in one of Australia's most vibrant landscapes. Jenni will take you beneath the surface of her picture book making process, and share stories from her incredible research trip to Monkey Mia, where she got to see the real-life dolphins and experience the beautiful habitat they live in.

All sessions are interactive, fun and informative, and include a chance to get creative with a drawing activity. Presentations are suitable for classrooms, year groups or stages and run for 50 mins-1 hour.
